

### ROSSPORT RESIDENTS AGAINST FORESTRY BASE MOVE TO TERRACE BAY

The executive of the Thunder Bay Riding Association of the Progressive Conservative party of Ontario met at the Rosspport Inn last Thursday evening for a Lake Superior Trout dinner and to hear guest speaker, The Hon. Kelso Roberts, Minister of Lands and Forests. Accompanying Mr. Roberts were L. Ringham, regional director of Port Arthur, N.B. McMahan of Toronto and C. Acheson, Asst. Deputy Minister, of Toronto.

The Progressive Conservative executive consisted of Walter Milne of Marathon, George O'Neil of Nipigon, Ross Williams of Nipigon, Robert Clark of Beardmore, Jack Phillips and Lester McCuaig of Schreiber, Jack Spillett and T.F. Seppala of Rosspport and the Chief Forester, George McKinnon of Geraldton.

T.F. Seppala presided and secretary Geo. O'Neil read the minutes and communications.

One of the topics of discussion was the possibility of moving the Chief Ranger Station base to Terrace Bay, which Rosspport opposes. It was pointed out that heavy fog lays over the Lake to the pump house, the Lake is full of submerged logs and stumps of trees that were cut before flooding the area. Economically, Rosspport needs the base at its present location or at Rosspport. The majority of Rosspport residents have many theories and explanations as to

why the base should be kept here. Mr. Roberts viewed the set-up and thought Terrace Bay a more central location. A \$200,000 layout at Rosspport, with its protected harbour, would certainly be a large uplift for the community, in the thinking of the villagers.

The evening group of the Ladies Auxiliary of Terrace Bay Community Church will held their regular meeting on Monday, October 3rd at 8.15 p.m. in the Church Hall.

The open season for Ruffed Grouse, Spruce Grouse and Sharp-tailed grouse is September 15th to December 15th, 1966.

Season for Ducks and Geese is the same.

This year you must have a Canada Migratory Game Bird Hunting Permit in addition to any Provincial Water-fowl Hunting Licence. This permit is available at post offices for \$2.00

#### Moose Hunting Season

The moose season opens on October 1st and closes January 8th, 1967 in the Geraldton district.

Measles, mumps, scarlet fever, chicken pox, whooping cough and meningitis are responsible for many causes of deafness. Check hearing after illness.

### TOWN DUMP TO BE MOVED

The refuse area for the Township, commonly referred to as the Town Dump, will cease to exist in its present location as of October 3rd. The reason for moving the dump is to prevent possible contamination from this area into Lake Superior.

The new Town refuse area will be located east of the Mill. It will be approached from off the mill road, opposite the road that leads to the Moose Hall (South Camp).

There will be no burning at the new dump. As the refuse is collected and emptied, it will be buried in trenches in the ground. Signs will be posted showing new location.
