

**RECREATION TOPICS - By Buck**

With the first sign of winter, many of the avid curlers and hockey players are asking "When will the ice in the Arena be ready?" We are presently undergoing some major repair work with our ice plant and do not anticipate having ice ready for use until the week of November 20th. In all probability the ice in the Arena should be in by Nov. 17th and the curling ice the following day.

The curling season will open with a Novelty Bonspiel and a large entry is expected. In the Arena, on Friday, November 18 there will be the first public skating of the season.

**LEARN TO SKATE CLINIC**

A 'Learn to Skate Clinic' will be held in Terrace Bay on November 18, 19 and 20 for minor hockey players and coaches and figure skaters and coaches.

Learn the skills and techniques of teaching the youngsters in your programme the fundamentals of skating. Amateur coaches will be of considerable assistance to your programme, allowing the professional to be more available where he or she is needed.

Successful candidates trained at these clinics will be recognized as Amateur Coaches by the C.F.S.A. In accepting the invitation to attend these skaters are expected to help their clubs for a year or two.

Candidates should be reasonably proficient skaters, either boys or girls, 14 years of age or over, of amateur standing, with excellent leadership qualities, and be in a position to devote a certain amount of time to instructing and judging tests in their area. Skating mothers will be most welcome.

This Clinic is sponsored by the Can. Amateur Figure Skating Assoc. and the Fitness and Amateur Sports Branch of Canada and the hosting club will be the Terrace Bay Figure Skating Club. Mrs. Beryl Campbell from Pt. Arthur is Regional Training Director and will be assisted by four qualified people. The Clinic will also include an advanced training course for candidates who have previously taken this course and a Judges' Training Session.

We greatly emphasize that this Skating Clinic IS NOT directly geared towards Figure Skating but will be of benefit to hockey coaches and hockey players. Terrace Bay should take advantage of this Clinic and send as many candidates as possible.

**STORK CLUB**

Born to, Mr. and Mrs. M. Glad of Schreiber, at Terrace Bay Private Hospital, a daughter, on October 22nd.

Born to, Mr. and Mrs. G. Trichilo of Schreiber, at Terrace Bay Private Hospital, a daughter, on October 29th.
