

Chairman John Falzetta thanks Mrs. Cora Bajkiewicz for the cheque she presented on behalf of the Ladies Auxiliary.

LEGION BANQUET (cont'd from Page 4....)
to Pat Jones for their effort in organizing such a delicious repast. He added his thanks to his Legion executive for their work in the past year.

A second presentation was then made by Pat Jones to Charles Koski, who received from him the newly-instigated Past President's Plaque. The plaque has been given to the branch by Mr. Pat Jones.

The guest speaker, Mr. John Ferrier then spoke briefly before presenting a number of slides taken during his spring trip to Europe. Of particular interest around Remembrance Day were views of a visit to the Air Force Memorial at Runnymede in England where are recorded the names of all allied airmen who have no known grave.

The evening ended with a social and dance with music provided by Mrs. Ellen Hodgkiss, piano and George Churney on the accordion.
