My Fellow Citizens -

I appealed for your vote for election as Reeve of our town to which you responded by giving me that mandate on Monday.

In accepting, I want to express my heartfelt thanks and assure you of my every effort on your behalf during the next two years.

May I take this opportunity to congratulate the newly elected members of Council and say to those defeated, they can feel proud in the thought that they have proved their citizenship.

Ed Cavanaugh.

Notes From The Recreation Centre -

The Santa Claus Mail Box is now in the Post Office lobby for the convenience of children sending letters to Santa.
