

CENTENNIAL NOTICE

This is to advise all concerned that because of my duties as Reeve, I have this date appointed Mr. Jim Cumming to take over my duties as Centennial Chairman.

May I take this opportunity to express my appreciation to our citizens for the wonderful co-operation you have extended to the Centennial Committee and trust that as our birthday year progresses you will continue to take an ever increasing interest and active participation in our up coming events.

Because of the severe winter storms we have delayed our over all decorations until spring at which time you can rest assured that Terrace Bay will express the festive occasion.

May I then on behalf of your 1967 Council extend to one and all our sincere wish for a most joyous, healthful and successful Centennial Year.

W.E. Cavanaugh,
Reeve.

SKI CLUB NEWS

On January 28 and 29 a number of the local lads will participate in a ski workshop to be conducted by Mr. Terry Axelson, a Lakehead ski professional and director of athletics for the Port Arthur Board of Education.

The club is proud to announce the opening of a new Centennial trail and some other hill improvements which will add to the thrills of this number one winter sport.

The refreshment stand is now open for business and those participating in the learn to ski classes are reminded to be on the hill early Saturday - before 10.00 a.m.

Snow conditions at present are better than average and we expect to have a great weekend.
