KIMBERLY-CLARK WEEKLY SAFETY SLOGAN

Every week five employees win silver dollars for knowing the weekly safety slogan message.

Last week's winners were Marvin Osmar, Al Ziegelman, Peter Barz, Paul Coupal and Ludwik Petrus.

Many people experience injuries because they did not know the hazard involved or they did not think about the hazard or they just didn't care.

Accidents can only be prevented when we include safety in everything we do, whether it's on the job or driving a car or working at home.

Remember this week's safety slogan message:
"KNOW YOUR JOB HAZARDS - DON'T LEARN BY ACCIDENT"
