**LEAD: HEART NINE**

Almost any book on Standard American or Point Count bidding will show the proper responses to an opening bid. With 6 to 10 points and no support (lacking four cards in bid suit) bid one no trump; with 6 to 10 and support give a simple raise or one rank higher; and with 11 points or more give a two-over-one response and show partner's suit later. These basic rules will usually indicate the suit to be trumps, the number of points in responder's hand, and the final contract. Today's North is too weak for a jump raise in spades, too strong for a one no trump response and he hasn't the proper four card support for spades. He is content with bidding two diamonds to show 10+ points and a later bid of three spades to show his three card support. South knows that North hasn't 13 points or he would have opened the bidding, he knows North has at least three spades, and can count on 11 or 12 points from North. Therefore, with his own 16 points, game should easily be possible. Playing at four spades, South wins the heart lead, draws four rounds of trumps and makes his contract losing one trick in each of the outside suits.

The same day, two Schreiber teams went to Terrace Bay. Schreiber Blue Knights downed Terrace Bay Cougars 5-1, and Terrace Bay Mustangs defeated Schreiber Lions 8-1.

**RE-UNION AFTER TWENTY-ONE YEARS**

While a patient in Deer Lodge Hospital, Winnipeg, Pat Newton was able to contact his nephew Arthur Newton and family.

Nothing was heard from them until 1945 when Arthur called on Pat in Ottawa while on leave from the Navy. Again contact was lost until with the kind help of the Padre at Deer Lodge Hospital, a meeting was arranged and Uncle, Nephew, with his wife and four sons had a pleasant re-union with assurances given that they will now keep in touch.
