Col. John Graves Simcoe, the first lieutenant governor of Upper Canada, supervising the Queen's Rangers as they cut out Yonge Street in 1795. Simcoe named the highway after Sir George Yonge, then secretary of state for war and an MP from near Simcoe's family estate in Devonshire. It was no meandering bush trail. The Rangers took four months to clear Yonge and their military precision kept it straight as a ruler for most of the 30 miles from York to Lake St Simcoe. Extensions pushed through to Georgian Bay during the next 25 years. When the work started, the province was only four years old and the first trees had been cut down in the district by Loyalist settlers from the south only a few years earlier. But already the farms were neatly laid out and growing high quality wheat. =

One English traveller noted that between Montreal and Niagara, "in so infant a settlement", it would have been irrational to expect that abundance which bursts the granaries -- of more cultivated countries. There was, however, that kind of appearance which indicated that with economy and industry, there would be enough". Successive waves of immigrants followed the Loyalists into Upper Canada. Thousands of settlers came from the United States, attracted by free land in the Niagara Peninsula and along the north shore of Lake Ontario which Lord Simcoe gave to those who took the oath of allegiance to King George. Mennonites flocked into the Grand River country. A heavy influx of settlers from the British Isles laid the foundations of Western Ontario.

SKI CLUB NEWS

We predict the month of March will offer the best skiing conditions this year, sun, snow and sensation.

May we remind those people with snow machines to stay off the ski trails. The ruts left by your machines causes a great hazard to skiers. Also, if you walk on the trails use skis or snowshoes only.

Mr. & Mrs. Hong and Andy Chang were recent visitors to the Lakehead.

MINOR HOCKEY NEWS

In the PeeWee Division the 18 interlocking games with Schreiber came to a close. Standings for Terrace Bay Pee Wees: Mustangs 15 points, Cougars 14 points, Thunderbirds 3 points. The Semi Final 3 out of 5 games started. On Saturday morning February 25 the Cougars defeated Thunderbirds 4-2. Cougar goals - M. Papousek 2, Dale Randa 1, E. Zwaresh 1. Thunderbirds goals R. Coss 1, and V. Calder 1.

On February 20th Terrace Bay PeeWee All Stars travelled to WaWa for the North Shore Championship Playoffs. This was a two game total goal series. The first game was at 11 a.m. and Terrace won 5-4. Every one of our boys played good hockey. Congratulations to the goalie who played very well. Goal scorers for Terrace were: Papousek assisted by Spadoni Phillips assisted by Papineau, Phillips assisted by Papousek, Phillips assisted by Papousek and Papineau assisted by Papousek and Phillips.
