"THINKING DAY" OBSERVED BY LOCAL GUIDES

To all Guides, Scouts, Cubs and Brownies February 22 is Thinking Day, also the birthdate of Lord Robert Baden-Powell, founder of the Boy Scout Movement, and of his wife, Lady Baden-Powell the World Chief Guide.

Terrace Bay Girl Guides celebrated the important occasion in traditional fashion, each patrol performing a skit at the Wednesday meeting, based on the early days of Guiding as it evolved from Scout Movements. The Promise, Law and Motto of the Guides in diff-

erent countries were read by individual guides each differing slightly from the Canadian one. The last patrol ended the program with a guide lighting a candle for each law, and placing it on a giant birthday cake. The singing of "Happy Birthday" to Lord and Lady Baden-Powell brought the meeting to a close.

Visiting the meeting from Mrs. D. Salesse's 1st Brownie Pack, were Susan Gerley, Carol Daley, Sheila Boucher and Sally Turner.
