## KIMBERLY-CLARK SAFETY SLOGAN

Being safe pays big dividends, remembering the weekly safety slogan also has its rewards. Winners of last week's safety slogan were Rudy Gerlach, Howard Solly, Bill Jones, Mike Dobush and Ernie Kettle.

Does a safety program prevent accidents? The answer is "NO", it can only make us aware of our responsibility to do our jobs safely and prevent accidents. Developing the proper attitude for safety is the "key" to success. Our actions can cause or prevent accidents, the results depend on us as individuals.

Remember this week's safety slogan:

" KEEPING MY MIND ON MY JOB-HELPS PREVENT ACCIDENTS."
