MINOR HOCKEY NIGHT

Friday, March 10th was an exciting night for all the boys in Minor Hockey. This was the night for parents to see what their boys could do on the ice.

First line-up included the Fly-weights. Next, the Pee Wee League formed two teams and played against each other. The PeeWee All Stars played the Bantam League in a game which ended in a two all tie.

The big events for the evening included Marathon Midgets playing Terrace Bay Midgets. The game ended in a 5-3 score in favour of Terrace Bay. Following the Midget game the Bantams went on to play Schreiber Bantams. This game ended 4 to 1 in favour of Schreiber.

At the half-way point in the evening, a draw was made on the Surprise Package, which was a lovely cake won by Maurice Cadieux. The cake was decorated just like the ice in the Arena with two nets on it and a hockey stick and even a puck.

The evening was arranged by The Terrace Bay Minor Hockey Association Executive; President Lester Legault. Appreciation is extended to all who supported Minor Hockey and those who helped to make the evening successful.
