

**CURLING NEWS**

We are now well into the last round of curling for this season. April 12 will finish the prize round unless extra games will be needed to determine winners.

Last big bonspiel of the year will be this weekend. The men's Spiel has always been a big event and this year should prove no exception. Thirty-two rinks are entered--seventeen of them outside contenders ranging from Toronto in the East to Winnipeg in the West. Spectators can be assured that they will see some curling at its best.

Saturday night is a social for members and guests - in the Curling Lounge.

Winners of this year's events will be announced and prizes awarded at the annual wind-up on May 13th. Hold this date open for an evening of good entertainment. Roy Coran and his orchestra have been booked for the dance which follows the banquet.

Members and guests are invited to attend the full evening festivities.

Seven-year-old socialites have a way of leaving more than a gift at a party: ever been stuck with a tutti-frutti-topped tablecloth?

These are the times a Cascade 40 can really win you over. It provides all the hot water you need to suds up a strawberry-specked party dress, its chocolate-cheeked owner, and the pile of party paraphernalia you'll be left with.

A Cascade 40 electric water heater may not make the party . . . but it could save the day. For more information, ask your Hydro.
