CANDIDATES PROVINCIAL ELECTION (from Pg. 1)

Conservative delegates and alternates met at Nipigon Public School. A credential committee of R. Wallwin of Terrace Bay, F. Brooks, J.C. Parsons and Mrs. Pearl White of Port Arthur reported promptly at 8 p.m. and the meeting chairman, T.S. Hodgkiss, Terrace Bay welcomed those present and thanked the members who came from Port Arthur to help then proceeded with the business.

Association Secretary, G.O'Neil of Nipigon read greetings from Dr. Lionel Hastings, President of the Fort William Association. Eighty one delegates registered - each representing 100 votes.

In quick succession Toivo Seppala of Port Arthur, Ben Pressman of Geraldton and Marty Ceremaki also of Geraldton were nominated - scruteneers were appointed and nominees given 5 minutes each to address the gathering. Results of the first ballot gave a clear majority to Toi Seppala of Rosspport.

Guest speaker of the evening was Leo Bernier of Kenora - a comparative newcomer on the political scene. A young, dynamic man, Mr. Bernier will, we predict, make a politician of note. One of his catchy phrases was - "keep Ontario Progressive and Canada United" and referring to campaigning he advocated the P.C. candidate be "polite, proud and positive" - with no mud slinging.

An old campaigner, Harvey Smith of the Lakehead, spoke briefly and, on the invitation of the Chairman, Mines Minister Geo. Wardrope, addressed the group. He vigorously refuted allegations made in a recent Toronto daily that Northern Ontario is "a poor relation of Southern Ontario".

Secretary O'Neil announced that the annual meeting of the Thunder Bay Association would be held in Nipigon in May and a new slate of officers elected.

The new candidate, Toi Seppala has been chairman of the association for several years but, with his nomination will have to retire from this position. Both Mrs. Wardrope and Mrs. Seppala accompanied their husbands to Nipigon. Mr. Seppala's plans include visits all over the riding. His many activities in the past make him a well known figure throughout the province.

Ontario's Derby King, Toi Seppala, shown above with his wife Esther in a jubilant mood, displayed the same smile on Saturday night when he was nominated to carry the Progressive Conservative banner in the next Provincial election.
