## TOWN TOPICS

## TERCENTENNIAL MASS ANNIVERSARY MAY 29TH

On Pentecost Sunday, May 29, 1667, Father Claude Allouez, a Jesuit, celebrated the first Mass offered anywhere in Canada west of Sault Ste. Marie. When we consider that this first Christian service took place 200 years before Confederation in 1867, we begin to grasp its historical significance.

To commemorate this event plans are now underway to hold a tercentenary anniversary mass in the Nipigon Arena on Sunday, June 25. Before the Mass the present superior of the Jesuit priests, who still work with the Indians of this area, will be made an honorary Indian Chief. Following the mass a plaque will be blessed and installed on a permanent standard as a reminder of this historical event.

In order to have a permanent and practical reminder of this historical event a chapel is planned on Lake Helen. Patrons, both commercial and personal, will be asked to contribute to a "Tercentenary Chapel Fund" to make such a permanent memorial possible. The Red Rock Council of the Knights of Columbus are sponsors of the Mass Day and Chapel Fund.

The Mass Day is expected to be the biggest event of Nipigon's Centennial year and their Centennial Committee are anxious to make it a great success.

Also involved in plans for the Tercentennial Mass Anniversary are the Alhambra Caravan of the Lakehead, Father Baxter Assembly of the Fourth Degree and Knights of Columbus Councils in Fort William, Port Arthur, Geraldton, Schreiber, Terrace Bay and Marathon as well as the Thunder Bay Historical Soc.

D. McAllen of Red Rock and G. Waghorn of Nipigon are co-chairmen for the event and L.G. Salini of Fort William, State Deputy of the K.of C., is co-ordinator for all K.of C. participation.

## LAKEHEAD UNIVERSITY REPRESENTATIVES HERE

On Wednesday, April 12th, about sixty citizens of the community gathered at the Terrace Bay Motor Hotel to hear Lakehead University representatives review plans and objectives of the University and their present and future expansion programs.

Mr. David Morgan, Director of Finance for Lakehead University, spoke of the progress made to date and the challenge which lies before all Northwestern Ontario in developing the University's facilities and programs. He reviewed the history of the University since its inception in 1957 when 124 students were enrolled, to its present status of 1,216 students and a projected 1,577 students in the Fall of 1967.
