

AUXILIARY MEETING (from Page 10)

Two banquets are to be held this month. A convenor is needed for the C.G.I.T. banquet May 31. Contact Mrs. Donna Broadhurst.

C.G.I.T. graduation ceremonies will be held at the 11 a.m. service May 21 after which a pot luck lunch will take place. All are invited to bring their favorite dish and join the girls.

A period of worship followed with Mrs. H. Hiebert and Mrs. C. Slomke reading with Mrs. C. Gould playing the piano.

A panel of Mrs. G. Soughton, Mrs. E. Hodgkiss, Mrs. E. Lohr, and Mrs. F. Knight reminisced of early days in this community and church. Mrs. C. Slomke guided the discussion with questions. It proved a delightful event with memories of the first church service, first wedding right up to the precious corner telephone booth. A great achievement has been reached in that a unique church where all Protestant faiths worship together grew and stayed.

Lunch was served by Mrs. B. Wise and her committee. Ladies are asked to keep watch for notice of a guest speaker at the meeting in June.

OPENING LEAD: CLUB KING

During the European Trials in the fall of 1966, the Finns came up with a very unusual system which although novel in approach, proved ineffective against stronger opponents. Basically it sounds as though you would be playing with a newcomer for the system allows you to pass with a strong hand and open the bidding with nothing! Our example shows you the hand against Sweden (east-west) which is, perhaps, the crowning glory of their idea. North has nothing and opens with one club! East overcalls a spade and South forces to game by cue bidding two spades. The remainder of the auction now reverts to standard procedures as North's double shows 6-10 and South's four club bid shows a strong two-suiter. The Swedes could have sacrificed at five spades but felt they could easily set the Finns at five hearts. The opening lead of the club King was taken with dummy's ace as South sluffed his losing spade. A trump was ducked by East and won in the closed hand with the queen. Now two diamond rounds were played as East trumped the second with the trump knave and took his ace. South had played well as he gathered in the remaining tricks by trumping a third diamond in dummy to establish his hand.
