Don't forget the deadline for registrations is this Friday, May 12, and the forms are to be turned in to the Recreation Office before this date.

Playground Programme - This year's playground programme promises to be very successful. Many staff applications have been received, and it will be quite a chore to decide who the successful candidates will be on the Playground staff. The playground Training Course will be held in Terrace Bay again this year, from June 21 to 24 inclusive. We are expecting 35 to 40 people to be in Terrace for this course. In the very near future, we will be soliciting billets to accommodate these people, and it is hoped that full co-operation will be received.

Teen Town - Plans are underway for the Teen Town Summer Festival which is slated for June 29, 30 and July 1. This promises to be a big event and more information will be available as plans are formulated
