

### SCHREIBER COUNCIL QUOTES

Municipal Council held a special meeting to open tenders for a new snow plow and pass a By-Law appointing Edmund Borustki road superintendent. The contract for the plow was awarded to Spadoni Bros. the lowest tender. Other tenders were from Lakehead Motors, S.J.Hill & Sons Ltd. and Gibson Motors.

At the May meeting of Council Reeve Harness reported on meeting with representatives of Northern Ontario Gas Co. to discuss the natural gas situation and was advised to let Schreiber's present contract stand for the time being until a plan is presented to the Federal Government and their decision made.

The rink ice plant has been shut down but as yet no agent from Creamery Packaging Mfg. Co. has come to drain the system.

Council favored Reeve Cavanaugh's suggestion that Terrace Bay, Schreiber and other neighboring communities have regional meetings to discuss problems and consider suggestions which might benefit all. Mr. Cavanaugh thought a small meeting might be held first to make arrangements, to be followed by full representation of council at another meeting.

Permission was granted the Navy League of Canada, Terrace Bay Branch, to hold a tag day in Schreiber.

A budget estimate for district assessor system and equalization factors was received from R.M. Veitch Regional Assessment Supervisor.

District Health Unit Peter Hoban reported on inspection of eating and L.C.B.O. establishments with only one requiring notice to improve certain conditions. He also made definite suggestions regarding facilities in the rink.

The Hon. J.W. Spooner, minister of Municipal Affairs sent word of a plan to relieve elderly tax payers of some of their tax burden. This will be followed up by Council.

Dr. B.A. McDonald requested new floor covering in his office in Town Hall. The matter was turned over to the Hall Committee.

Mayor E.H. Reed of Fort William wrote commending Schreiber and Coach Jack Copeman, on the behaviour of Schreiber PeeWee hockey team which took part in the Elks International Hockey Tournament.

A proposal from Western Iron & Steel Scrap Co. was considered. Councillor Spadoni suggested

another avenue to explore from which a local association might benefit in the sale. This will be examined.

Water accounts of \$19.05 and general accounts of \$2,323.83 were passed for payment. One resident was warned to clean up his property. Clean-up week for the town was set for May 23 - 30th. It was agreed action must be taken on the many old cars stored on private property.

Councillor McParland reported on his meeting with Port Arthur and District Health Unit.

After considering the problem it was agreed to instal a covered ditch, running along Brunswick St. to the Subway at an approximate cost of \$2,000, in an attempt to drain water which causes flooding on Columbia St.

Mrs. Inez McCuaig reported on activities planned during Schreiber's re-union. Council plans small souvenirs for returning Schreiber people and tentatively agreed to take part in the July 1st parade.

Jack Gordon was hired as apprentice assessor and assistant clerk-treasurer. An application for lease of 75 ft. of the former YMCA site was sent to the CPR.

In view of the large amount of outstanding back taxes it was decided to take immediate action to recover these.

A motion commending Constable Keith Scott's action in recent police case was passed.

Thirty wildly excited highschool students have left for a trip to Expo accompanied by Mrs. D. Bobke of the staff and Jack Gordon. Prior to their departure Tony Speziale and Gino Caccamo, on behalf of the Kinsmen, presented the Student Council with a cheque for \$150 to use as they saw fit. L. to R. in photo, T. Speziale, Jeanne McCuaig, G. Caccamo, Mrs. Bobke, Tom Collinson, Boyd Drake. Photo by I. McCuaig
