ST. MARTIN'S GRADE 7 INSTITUTES FLAG PLEDGE

The Centennial project of the Grade 7 class of St. Martin's School is a "Flag Pledge" - To My Flag and to the country it represents, I Pledge respect and loyalty. Wave with pride from sea to sea, and within your folds keep you ever united. Be a symbol of freedom and justice. God keep our Flag. God protect Canada. Besides reciting the Pledge daily themselves the students wrote to various government authorities offering to share their pledge with other schools. The office of the Prime Minister commended the project and the Minister of Education replied as follows: "Thank you for sending a copy of your class' flag pledge and for expressing your willingness to share it with students throughout Ontario. As you are undoubtedly aware, the Ontario Department of Education publishes a newsletter entitled Project 67: Centennial News for Ontario Schools. This Centennial newsletter reaches every teacher in each public, separate, secondary and private school in Ontario. I will see to it that your flag pledge is included in a forthcoming issue of Project 67 - Centennial News (continued On Page 8)
