

CENTENNIAL CORNER (from Page 8)

Teen Town are organizing a two day Summer Festival for June 30 and July 1. It is hoped that everyone in town will support our young people in this endeavour. Plans call for a parade starting about 2 p.m. June 30 with floats, Teen Queens, etc. Children's events will follow at the ball park.

A community cook-out at Kiwanis Beach is on the agenda as well as a horseshoe contest and Beach Dance in the evening. Events on July 1, include a soap box derby, outdoor meals, treasure hunt for the small fry and a mod dance in the arena. Centennial buttons will be on sale soon - they will be reasonably priced and will make good souvenirs.

The Lakehead Folk Arts Council will stage a show in Terrace Bay on July 15. The show will comprise a number of very talented ethnic groups.

Everyone who can should plan to see this performance.

The week of June 11, has been named Centennial Week for the Royal Canadian Legion. The local Branch will end their celebrations with a Father's Day Tea, Legion Hall at 7.30 p.m. Sunday, Sunday, June 18. Everyone welcome, Centennial

dress is optional. Admission is reasonable.

RECREATION NOTES - by David Courtemanche

Swimming Pool Registrations - The deadline for receiving swimming pool registrations was June 9, however, if you wish to take swimming lessons you can still pick up a form at the Recreation Office. Classes start July 3 and a schedule will be printed for your convenience notifying you of the time to attend.

Pool Opening - We hope to be able to open the pool by this Saturday, however, this will depend mainly on the weather as it is preventing us from doing the necessary painting and repairs prior to opening. Let's keep our fingers crossed for good weather.

Minor Fastball - Owing to the lack of enthusiasm by both players and mostly coaches the yearly June schedule has been cancelled, however, this does not mean that the Terrace Bay children will go without fastball this summer as both elementary schools are running a rather lucrative ball program and the playground leaders will also be conducting a softball program between July 3 and August 11.

New Activities - By now you should have received your nice cherry red activity interest and registration form. We are hoping to offer new opportunities of recreation to both boys and girls as well as rejuvenating old ones. These activities will be conducted in the evenings under the supervision of playground leaders, myself and other instructors in town, however if the registration forms are not returned to the Recreation Office by June 23, then we know there is no interest in these new activities and the program will be cancelled.

Playground Training Course - The playground training course will be starting here in Terrace Bay next week and I would like to thank the many Terrace Bay people who have offered their homes for billeting.

Playground Program - This program will start on July 3 and will run to August 11. We will be introducing new ideas and new leaders. This year's program will be new and different.

There wouldn't be nearly as many pedestrian patients if there were more patient pedestrians.

We know a fellow who talked too much, needs a touch of lockjaw.

Welcome to the
