

SHIRLEY CARON APPOINTED DISTRICT COMMISSIONER

The regular meeting of the Aguasabon District Local Guide Association met recently with president Sylvia Duquette in the chair. Among correspondence was a letter from the Pöbly Lake Camp Committee expressing regrets that there would be no area camp this year.

Several ladies have expressed their willingness to undertake Guide and Brownie leadership, beginning in the fall. These include Mrs. C. Cvitkovich, Mrs. J. Whiteley, Mrs. A. McKie, Mrs. B. Dejonghe and Mrs. H. Lang.

The Guide and Brownie flower beds in Centennial Park have been planted, and identifying plaques, made by Mrs. W. Kurylo, are ready to be installed. Thank you gifts were given to Mr. A. Farrow and Mr. J. Cumming for their work on models to be placed in the Brownies' gardens.

Mrs. Duquette reported that a group of Guides, under the leadership of Lorraine Belliveau, will camp under canvas at the Hayes camp at Walker Lake, during the last week in June. Girl Guides of Canada carry full insurance to cover any eventuality.

Mrs. Daisy Carroll, Area Commissioner, announced that Mrs. Shirley Caron has been appointed District Commissioner for the Aguasabon District, starting in September.

Following adjournment of the Local Association meeting, Mrs. Carroll met with Blue and Brown Guiders from both Terrace Bay and Schreiber.

Among suggestions made by Mrs. Carroll was that Guides should meet every month to iron out any problems and to work closely as sisters in Guiding. She also suggested there may be occasions when Guides and Brownies of Terrace Bay and Schreiber can meet together for fun and mutual understanding and help. A strong question and answer session cleared up many details, and it was during this period that Mrs. Carroll urged both Schreiber and Terrace Bay to consider formation of a Ranger Troop for senior girls too old for Guides.

It was unanimously decided that there should be two districts with Terrace Bay retaining the name Aguasabon District, with Mrs. Shirley Caron as District Commissioner. A name for the Schreiber District will be selected by the area committee. They will appoint their own commissioner.

The meeting adjourned and a delicious lunch was

served by hostesses Yvonne Rajotte and Ethel Falzetta.
