Mr. A.Teskey presents award to Steve Payette.

Principal Don Briscoe opened the proceedings by welcoming the parents and friends and then introduced Mr. Gerlach, Chairman of the Public School Board, which he described as the silent influence in school affairs. Following Mr. Gerlach, Mr. W. Rowsome, Principal of Terrace Bay High School spoke of educational achievement and the intensified training necessary to create a truly educated person. He spoke of the opportunities for decision making, the new experiences, the new freedoms and with them new responsibilities that would be involved in the programs that would help to make them into mature and responsible people.

In stressing the importance of a rounded education, Mr. Briscoe introduced Rev. T. G. Husser who spoke briefly before the first of the pre-

sentations was made. Mr. A. Teskey presented Steve Payette with the Kiwanis Proficiency Award, and Mr. Fred Soughton presented him with the Soughton Award. Steve was the 72nd recipient of the Award since it was instituted twelve years ago.

The Legion Auxiliary Award went to Valerie Boyd and was presented by Mrs. Gertrude Cotton.

The entire Grade 8 then received their graduating certificates from Mr. Gerlach before parents and friends invited to view the scene of the traditional party that followed in the Grade 8 room of the school.

Mrs. G.Cotton presenting Valerie Boyd with award.

This spacious coach can make
A BIG DIFFERENCE TO YOUR FUTURE

When Hydro's Electric Heat Information Centre opens up, it opens up a whole new world of comfort and convenience for you to explore. From the versatile heating units in colourful room settings to the heating system selector, you will find *all* the exciting inside information about electric heating.

You will find that electric heating's room-by-room temperature

control, cleanliness, quietness, compactness, economy and freedom from maintenance are advantages worth discovering *NOW* ... worth putting into your future.
