

LADIES GOLF NEWS

At the executive meeting Tuesday evening a lovely gift of Blue Mountain Pottery was presented to Lois Shubaly in appreciation for the work she has done for the Golf Club. Lois, Joe and family leave shortly to make their new home in Renfrew, Ontario.

Winners of the July 25th ladies day tournament were: Low Gross - Peg Wellings, Low Net - Jan Hall, Low Hole - Kay Stefurak, High Hole - Jeannette Gunter.

GOLF CLUB NEWS

Our official opening and Centennial Open Tournament takes place this weekend. Details of the scheduled golf and entertainment events are shown below.

Ticket arrangements for the social events are as follows:

The tournament entry fee entitles the golfer with husband or wife to participate in all social events.

Non-golfers may purchase a spectator ticket for \$2.00 per person which allows the holder to attend the Monte Carlo night, both dances, barbecue and official opening ceremony.

Admission for non-golfers to the Cocktail Hour and Dance in the Arena on Saturday, August 5 only is \$1.00 per person.

Entries in the tournament will be accepted up till tournament starting time. Remember this is a handicap tournament which gives the higher handicap golfer a good chance of winning a prize.

When selecting sunglasses, says Ontario's optometrists, most Canadians are confused. They tend to choose frames instead of lenses and often mistake high prices for quality. More than 50 percent of those with sunglasses are wearing the wrong kind.

Important announcement for plumbers, steamfitters and sheetmetal workers

The Apprenticeship and Tradesmen's Qualification Act, 1964 requires journeymen in the Plumbing, Steamfitting and Sheetmetal trades to obtain Certificates of Qualification by October 1st, 1967.

Tradesmen who have not already applied for their initial Certificates of Qualification should do so as soon as possible.

Applications should be forwarded to:

ONTARIO DEPARTMENT OF LABOUR
INDUSTRIAL TRAINING BRANCH
74 Victoria Street
Toronto 1A, Ontario

These tips are offered to make this summer easier on your eyes: Check sunglasses lenses for imperfections by holding them up against the light. Watch for bubbles, scratches and wavy images when looking at straight objects.

When selecting glasses, choose frames carefully. Look in a mirror to make sure each pupil is in line with the centre of each lens. Remember that frames with narrow temples give greater side vision.

The best sunglass lenses are made from glass and are optically ground and polished. They keep out more of the harmful infra-red rays and they are less distorted than plastic lenses.

People who wear prescription glasses should be
