Master of Ceremonies for the occasion was J. Cumming - Chairman of the Centennial Committee. He welcomed those present and introduced the guests.

Following the singing of "O Canada" the Flag was raised by a Wrenette and Sea Cadet.

Project Chairman A. Farrow said it was a pleasure and great experience to work on the Parks Board. He said that twenty years ago everyone joined in community efforts and that, though this spirit is not quite so prevalent today, the project chosen would benefit the youth of the future through its beauty. He mentioned the original committee, W. Adamo, W.E. Cavanaugh, John Steen and Bert Ratchford thanking them and all organizations that helped in any way. He mentioned that only three quarters of the final project is completed - the remainder to be finished next spring.

At this point a bronze plaque, a gift from Local 665 and Local 1861 and the Park itself were officially presented to the Township.
