

**PIC DISTRICT CAMPOREE**

The annual Pic District Scout Camporee was held this past weekend at Neys Provincial Park. Attending were Scouts and leaders from Manitouwadge, Marathon, Terrace Bay and Schreiber.

The official opening took place Saturday morning with personal and camp inspections, carried out by all leaders under Sam Baxter, Secretary to the District Council of Manitoba and Northwestern Ontario who was Camp Organizer.

Schemes began after lunch and each patrol in turn had to perform the following activities, designed to bring out qualities of leadership, co-operation and ingenuity. They erected an aluminum frame tent blindfolded, they were given an egg, slice of bacon two matches and a paper bag and instructed to light a smokeless fire and cook the bacon and egg and eat it using only the materials they had with them. Then a compass course was laid out to be followed by each patrol. First Aid was carried out on long suffering patrol leaders.

Flagbreak took place Sunday while some Scouts attended Mass. A Scout's Own was conducted by Venturer Andy McKendry of Marathon.

In the final assessment the Rat Patrol from Terrace Bay consisting of Scouts Megraw, Payette, Gresdal, Schmitt, Ramsay, Smith and Corrigan were placed first with the Timberwolves from Marathon second and patrols from Schreiber and Manitouwadge tied for third.

Next weekend, September 23 the District Cuboree will take place in Marathon.

**DO YOU ENJOY SINGING?**

The Terrace Bay Men's Chorus is starting their 14th year. Several members have left Terrace Bay and in order to continue we require new members.

It is not necessary that you read music, only that you enjoy singing and good fellowship. We meet each Monday from 7 to 9 p.m. in the Recreation Centre. The Chorus makes several trips during the year and helps local organizations entertain at special functions. The highlight of the year will be our participation in the mass sing at Grand Rapids, Minn.

Our ranks have depleted to the extent that if we do not get additional members we are in danger of having to cease activities. It would be unfortunate if this group who has brought enjoyment to the people of Terrace Bay and its name to many communities both in Canada and the United States would have to disband.

If interested please contact Clarence Buck at the post office or phone 3280 after 5 p.m.
