Your co-operation is also asked in refraining from discharging firearms in areas where men are working.

LEADERSHIP REQUIRED - Do you possess any skills or talents that would enable you to instruct others? Do you feel you have leadership qualities that are lying dormant? In order to conduct programs of Recreation, we need leadership. I have many new ideas, however I need leadership to introduce them. At present, instructors are brought in from the Lakehead or other areas. This is costly and inconvenient for scheduling. Do we not have any of this talent right here in town?

If you feel you can help with a skill or new ideas please contact me at the Recreation Office or phone 3542 and I will be glad to discuss your idea with you.
