**MARATHON ASSOCIATION FOR RETARDED CHILDREN SPONSORS BAKE SALE**

The community's response to the Bake sale, held Friday in the lounge of the Recreation Centre and sponsored by the Marathon and District Association for Retarded Children, proved to be one of the most gratifying efforts from a financial standpoint as well as an indication of the public support and interest in this worthy cause. Members of all the church organizations in town as well as members of the local Branch of the Retarded Children's Association contributed a large assortment of tempting items of home baking, jams etc. with the result that the sum of \$116.92 was realized. A special cake baked by Mrs. J. Shmanka, wife of the Association's President, and artistically decorated by Victor Lombara was raffled at the conclusion of the sale and won by Mrs. J. Warwick of Sund Crescent. The winning ticket was drawn by Mrs. A. Morton. Assisting with the mammoth bake sale were the following: Mrs. G. McMorland convenor, Mrs. A. Gordon, Mrs. E. Rydberg, Mrs. C. Lemcke and Mrs. L. Bertin. As a special attraction coffee was served to all those attending.

The speed and power of the new cars help to bring places closer together .....like this world and the next....
