

NEWS RELEASE (from Page 3)

Crescent Finance is part of the Avco Delta Corporation, a subsidiary operation of the Avco Corporation which operates a host of business enterprises throughout North America.

Hawley S. Tennant, president of the Consumer Finance division of Avco Delta, here, said the name change was effective immediately, and that work would begin this week to change signs at the company's 266 consumer finance offices throughout the country.

At the same time, however, it was emphasized that only a name change is involved.

No personnel or procedural changes whatsoever will result.

The district office of Avco Finance has recently been moved from Terrace Bay to Schreiber.

POLES OFF LIMITS FOR ELECTION POSTERS

In the days leading up to the provincial election on October 17, enthusiastic campaign workers for the various candidates will be sorely tempted to nail their signs or posters to Hydro poles.

In the interests of maintaining electrical service and the safety of linemen, Ontario Hydro reminds everyone taking part in election campaigning that the Power Commission Act prohibits the attachment of anything to Hydro poles or property.

The only exceptions to this ban are authorized voters' lists and election proclamations.

There are good and valid

reasons for the ban. Hydro poles carry power to the homes, schools and factories of Ontario and provide a working platform for linemen.
