

AUXILIARY MEETING (from Page 12)

Mrs. Arne Lie, guest speaker for the evening, was introduced by Mrs. Slomke. Mrs. Lie, who recently returned from South Africa with her family after two years residence there, gave a most interesting talk on her experiences. She stated that South Africa is the most beautiful country to see, yet the life for some is extremely harsh and at times almost unbelievable. She recounted many incidents that occurred in their personal lives very vividly. Mrs. Stella Brown expressed thanks to Mrs. Lie for sharing her experiences with the ladies.

The evening ended with a lunch provided by Mrs. O. Martin and Mrs. B. Wise.

Centennial Caravan visitor tweaks the moustache of life-like mannequin, a city slicker crouching on a gold-rush river bank, panning for his fortune. His finger stirs the silt and gold flecks in the pan, his head nodding. Mud and miner's tools are strewn around him with the stream babbling gently behind.
