**ATHLETIC AWARDS PROGRAMME**

In the spring of 1967 students of Terrace Bay Public School participated in an Athletic Awards Programme being exercised across Canada. This was a nationwide Centennial project for both high schools and elementary schools.

Each child was given the opportunity to participate in the public school. To qualify for an award the child had to enter three compulsory events: 1 minute speed sit-ups, 300 yard run, standing broad jump, and one of three optional events: skating, swimming, cross country run.

If the child failed to enter three compulsory events and one optional event, he received no award. However, if he at least entered the required events, he received a Red Participation Crest. Other awards ranged from a Bronze Crest to a Silver Crest with the highest award being a Gold Crest.

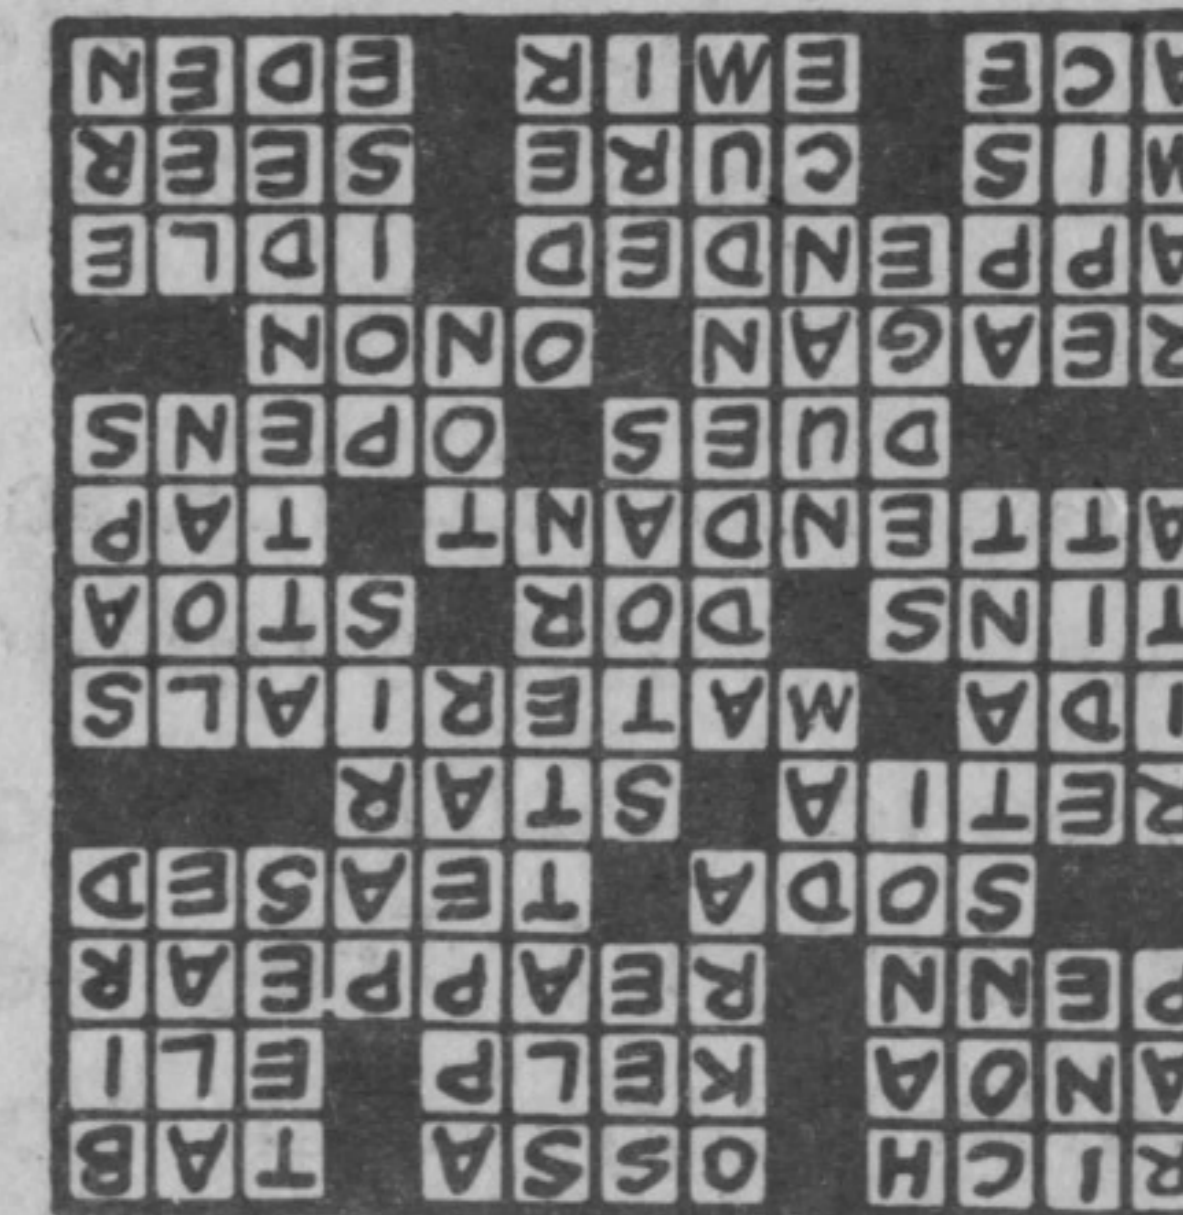

Students receiving the Gold Crest in the Public School were: David Pinkerton, Susan Pluta, Ross Stojko, Louise Brooks, Wendy Evans-Smith, Sam Harris, Jim Shivas, Jacqueline Turner, Catherine West, Marilyn Benko, Andrew Brend, Daniel Hales, Wendy McMillan, Clarence Yates, Branda Chapman, Candice Cotton, Richard Hamilton, Donald Kelly, Jack Ojavee, Raymond Kurylo, Greg.
