

MIXED CURLING

Friday night mixed curling has been approved by the Terrace Bay Curling Club.

The mixed group have everything going for them, and with a bit of effort from the curlers, it should be a good year.

The mens' club have shuffled their schedule to leave Friday night free for the new league.

Entry fees have been set at a realistic level to attract new curlers, while members of the mens or ladies club may curl in the mixed league at no extra charge.

The new league even has a trophy. The Soughtor Jewelers trophy will be presented to the top rink at the end of the season.
