November 23, 1967

## COUNCIL QUOTES

Town Council met Monday evening with Reeve Cavanaugh in the chair. Councillors present were: R. Bray, J. Caccamo, D. Desrosiers and R. Sinotte.

Reeve Cavanaugh made a presentation, on behalf of the town council, to Mr. Albert Farrow, who was instrumental in planning and doing so much work on the Centennial Park. Mr. Farrow who was presented with a Township crest and a lapel pin, expressed his thanks to the Reeve and Council.

Correspondence was read by Clerk Hanley - a letter received from Mr. W.J. McKie, meter reader, asking for a salary increase, will be reviewed in January.

The Ski Club asked permission to bring in a display of ski equipment, from out of town, to show their members. Council suggested they contact local merchants first, as to their supply of equipment and to advise the out of town vendor that he would be required to have a Vendor's License.

A letter was read from A. Pattison, addressed to Recreation and passed on to Town Council, asking permission to build an outdoor skating rink for unorganized hockey and skating in the park area, bordered by Poplar Crescent and Hudson Drive. This will be a joint effort on the part of interested citizens in the neighbourhood. Kimberly-Clark offered the use of equipment needed, when convenient. Mr. D. Courtemanche on behalf of Recreation, gave his permission and Council voted their approval.

A report from the Police Department stated that the Centennial Caravan stayed overnight and caused no problems. Magazine vendors were advised of the vendor's permit required to sell in Terrace Bay, and not wishing to comply, were sent on their way. Two B-B guns seized from youngsters and returned to the parents.

## KIMBERLY-CLARK SAFETY SLOGAN CONTEST

Winners of last week's safety slogan were Bob Mykietyn, Jim Lawrence, Ray Belliveau, Don LaPorte and Bob Weaver.

Safety clothes and equipment - proper work procedures - full observance of safety rules - all are necessary factors to ensure our safety. Add to these our own constant safety awareness and we have our own personal insurance against unexpected accidents.

Remember this week's safety slogan:

**SAFETY AWARENESS IS YOUR SAFETY INSURANCE**

## CANADA SAVINGS BOND CAMPAIGN RESULTS

The final tally in the payroll savings campaign at the mill was \$138,250. This is down from last year's record of \$147,100. but still represents a substantial savings commitment by Kimberly-Clark employees. A total of 301 employees bought bonds for an average purchase of \$459.

## KIMBERLY-CLARK EMPLOYEES RECEIVE CERTIFICATES

Norman Boon, Andy Miller, John Polachuk and Peter Vanderkam, employed in the Steam Department at Terrace Bay, recently wrote the Ontario 3rd. class Stationary Engineer's examinations. The four men have been notified that they were successful in the examinations and have received their higher grade Stationary Engineer's certificate.
