

LADIES' AUXILIARY MEETING HELD

The afternoon group of the Ladies' Auxiliary of the Community Church met Monday afternoon with Mrs. T. Dorland in the chair. In the absence of the regular secretary, Mrs. J. Brooks read the minutes of the last meeting. There were 16 ladies present.

Mrs. J. Schritt led in the worship service with Mrs. J. Roberts at the piano. The secretary read a letter from Adam Fiddler United Church, Sandy Lake, Ontario. After two and a half years, the Church has an ordained minister, and a healthy, working congregation. They asked assistance in procuring supplies such as games, good literature, sewing material and Scout supplies for a Scout Troop. A donation of \$20. was made to be used as needed.

President Mrs. Dorland expressed sympathy to Mr. & Mrs. Bob Harris, in the loss of Bob's mother.

An invitation was issued to join the ladies of the evening group at their meeting December 4. The business meeting will be at 8.15 p.m. and husbands are asked to join the ladies at 9 p.m.

The next meeting of the afternoon group will take place in January with a pot luck luncheon and in lieu of bringing gifts, each lady is asked to bring a dollar, to go towards the next church project.

Mrs. Dorland thanked those who donated and helped pack seven cartons of clothing for needy families.

Members are reminded of the bazaar on Saturday, November 25. Those who haven't already done so are asked to turn in articles for this event.

Lunch was served by Mrs. A. Almos and Mrs. T. Dorland.
