

RECREATION NEWS by D. Courtemanche

Arena Public Skating Schedule: Times are as follows Sunday 2 to 4 p.m., and 7 to 9 p.m., Wednesday 3.30 to 5.30 p.m.; Friday 7 to 9.30 p.m. These sessions are supervised for your safety and fun.

Hockey Coaches Clinic: We were very disappointed with the response to all the advertising and work put into this clinic. There was a total of 12 registration with 8 from Schreiber and 4 from Terrace Bay. We are also disappointed in the inability of some of the Terrace Bay Minor Hockey League to attend this clinic. Some persons had to work and others may have had legitimate excuses; however, just 4 persons in attendance, when they knew almost 2 months in advance the date of the clinic, makes one wonder. We must congratulate Instructors Cy Brassard, Terrace Bay, Bill Shannon, Athletic Co-Ordinator, Lakehead University, Port Arthur, and Gord McMorland, Marathon, for not becoming discouraged with the small turnout and putting on an excellent clinic. Not one of the 12 persons in attendance left until the completion of the clinic, which lasted all day.

Future Planned Activities: It is noticeable that some groups are not reading the newspaper or both-

ering to find out the date of future activities when planning their own. Some of the events are planned for the same evening. With our population, do you think this is wise? Would you not have a better turnout if your activity was the only one being held that day? Let's get together. If you are planning an activity, phone the Recreation Office with your plans. We will try to keep you up to date, as the newspaper is interested in printing an Activity Calendar.
