SPORTS FEDERATION PROPOSED

A proposal to form a Federation of Ontario's sport governing bodies has been announced by Robert E. Secord, Administrator of Community Programmes Section of the Ontario Department of Education.

The aims of the Federation were outlined to Peter Krystalowich of Port Arthur, District Representative for the Society of Municipal Recreation Directors and Mr. T. Axelson of Port Arthur, District Representative for the Ontario Municipal Recreation Association by Mr. Secord who stated that, "The Federation will provide a co-operative approach to the development of amateur sports in Ontario. Each sports governing body will control its own programme but the Federation will provide a vehicle where mutual problems can be solved and long-range plans can be made".

Community Programmes has been given the responsibility by the Ontario Department of Education to administer the funds under the Federal-Provincial Agreement for Fitness and Amateur Sport. The province has appropriated \$200,000 for the current year which commences on April 1st, 1968.

"The money is not meant to be a subsidy, but is meant to expand existing programmes and start new ones," said Mr. Secord. "In order to provide for long range planning and assure that optimum use is being made of the funds, all requests for assistance will be channelled through the provincial sports governing body for that sport. Each sports governing body will make one submission to Community Programmes covering one full year of operation, from April 1st, 1968 to March 31st, 1969," explained Mr. Secord.

Sports groups desiring assistance and advice are asked to contact J.C. Hilbeck, Co-ordinator, Phys. Recreation Programmes Section 559 Jarvis St., Toronto 5, Ontario.
