DISTRICT 13 O.S.S.T.F. MEETS IN TERRACE BAY

Terrace Bay High School had the honour of hosting the North Shore Branch, District 13 of Ontario Secondary Schools Teachers Federation. This branch was formed last year. Purpose of the meeting was Professional Development Day. The overall theme was to discuss the problems in different subject areas which are unique to smaller, more isolated high schools, such as those on the North Shore.

Approximately 70 teachers attended, coming from Manitouwadge, Schreiber, Nipigon, Red Rock, and the host school, Terrace Bay.

Coffee and doughnuts, compliments of the Terrace Bay High School Board, preceded registration at 2:30. The teachers then dispersed to various subject seminars, including Mathematics, Science, Geography, English, History, Commercial, Physical Education, Technical and Principals. From three thirty to four, there was a general meeting in the Auditorium. Comments were given by W. Farrell, Chairman of the Board, Mr. W. Rowsome, Principal, and Mr. K. Wooster, Area Superintendent.

At four o'clock, Mr. W. Gibben, of Kenora, who is the Educational T.V. Co-ordinator for the Department of Education, was introduced. He spoke on the benefits to be derived from Educational T.V. He also stated that an E.T.V. Station will open in Toronto in September 1968, and by 1972, there will be 34 stations operating in Ontario, one being in the Lakehead to serve the North Shore. Mr. Gibben answered the question "Why use E.T.V.?" by saying that T.V. is a versatile aid to teachers, covering different subject areas in different ways. T.V. brings in apparatus too expensive to be used in most schools, and can be shown in slow motion, which would help to explain various areas. This type of T.V. is not a substitute for good teachers, it is not entertainment, but an accepted way of life. E.T.V. provides enrichment

essential to aid teachers in their work. Using a video tape recorder he demonstrated what kind of programs would be available to E.T.V. school rooms.

A Social Hour followed at the Curling Club Lounge before the assembly met for dinner at the Terrace Bay Motor Hotel. The guest speaker for the evening was Mr. Jack Stokes, M.P.P. for the Thunder Bay Riding, who spoke on the new Robarts legislation, which will reduce the number of local school boards from 1600 to 100.

COUNCIL QUOTES

Reeve E. Cavanaugh presided for the regular meeting of Town Council in Terrace Bay, with Councillors Roy Bray, Jack Caccamo, Dave Desrosiers, and Roly Sinotte present. Minutes were read by Clerk Hanley and adopted.

Reeve Cavanaugh suggested that the duties of the building inspector be clarified.

Correspondence--A letter was read from the Children's Aid Society, recommending that the Societies of Fort William and Port Arthur be amalgamated, and called the District of Thunder Bay Children's Aid Society.

Recreation Association asked council about lighting for a toboggan slide on lower Lakeview Drive.

A letter from J.A. Ferrier, mill manager, Kimberly-Clark, informed council that the company had requested that wrecked cars, behind the B.A. station, which can be seen from the mill road, be removed as soon as possible, by the owner.

The report from the Fire Department was as follows-- Fire prevention Week was observed, and literature (Cont'd on page 4)
