K-C Weekly Safety Slogan

Winners of last week's safety slogan were: Bill Wallin, Garnet Pinkerton, Stan Greenwood, Garth Wood, and Gaston Jacques.

During the next several weeks every one will be busy preparing for the holiday season. Shopping for gifts, putting up Christmas decorations are only a few of the many things to be done.

To assure a happy Yuletide we must include an awareness for safety, for an injury to ourselves or a member of our family can take the joy out of the Christmas season.

Remember this week's safety slogan - "DON'T SPOIL YOUR CHRISTMAS BY ACCIDENT".

LOCAL GIRLS HAVE XMAS SPIRIT

Four young Terrace Bay ladies didn't wait till pre-Christmas announcements reminded home owners about decorating contests etc. During the summer holidays they built a little house on a rise behind the home of Mr. and Mrs. Phil Stuart, Birch Crescent, and last Saturday they completed their Christmas project by installing lighted Christmas trees both inside and outside the structure.

The enterprising young lassies are the Misses Mary Anne and Janet Zwir, Alice and Anita Stuart.

Perhaps the example set by them will encourage local citizens to see that Centennial Year goes out in a blaze of light in Terrace Bay.
