

**RECREATION NEWS - by D. Courtemanche**

**Santa's Mailbox** Once again, Santa Claus has asked us to help with his mail this year, and for those children who would like to send a letter to Santa, there is a mail box in the lobby of the post office. Just address your letter to Santa and place it in the box - there is no mailing charge.

**Roped-Off Area in Arena** During public skating sessions, skaters will notice there is an area of the ice surface that is roped off. This is for the use of the smaller children, to protect them from accident and injury - and also provides freer skating for older persons. It is for the benefit of all if these areas are observed and respected.

**Ladies' Keep-Fit Classes** These classes have been cancelled for the Christmas season, and will be resumed, through registration, on approximately January 9th. Registration forms will be available at that time at the Recreation Office.

**Children's Ballet Classes** The Session scheduled for Tuesday, December 26th, is cancelled, and these classes will resume on Tuesday, January 2nd, as previously scheduled.

**Men's Basketball** Basketball has been cancelled until the New Year, at which time, if sufficient interest

is indicated through registrations, this activity will be resumed.

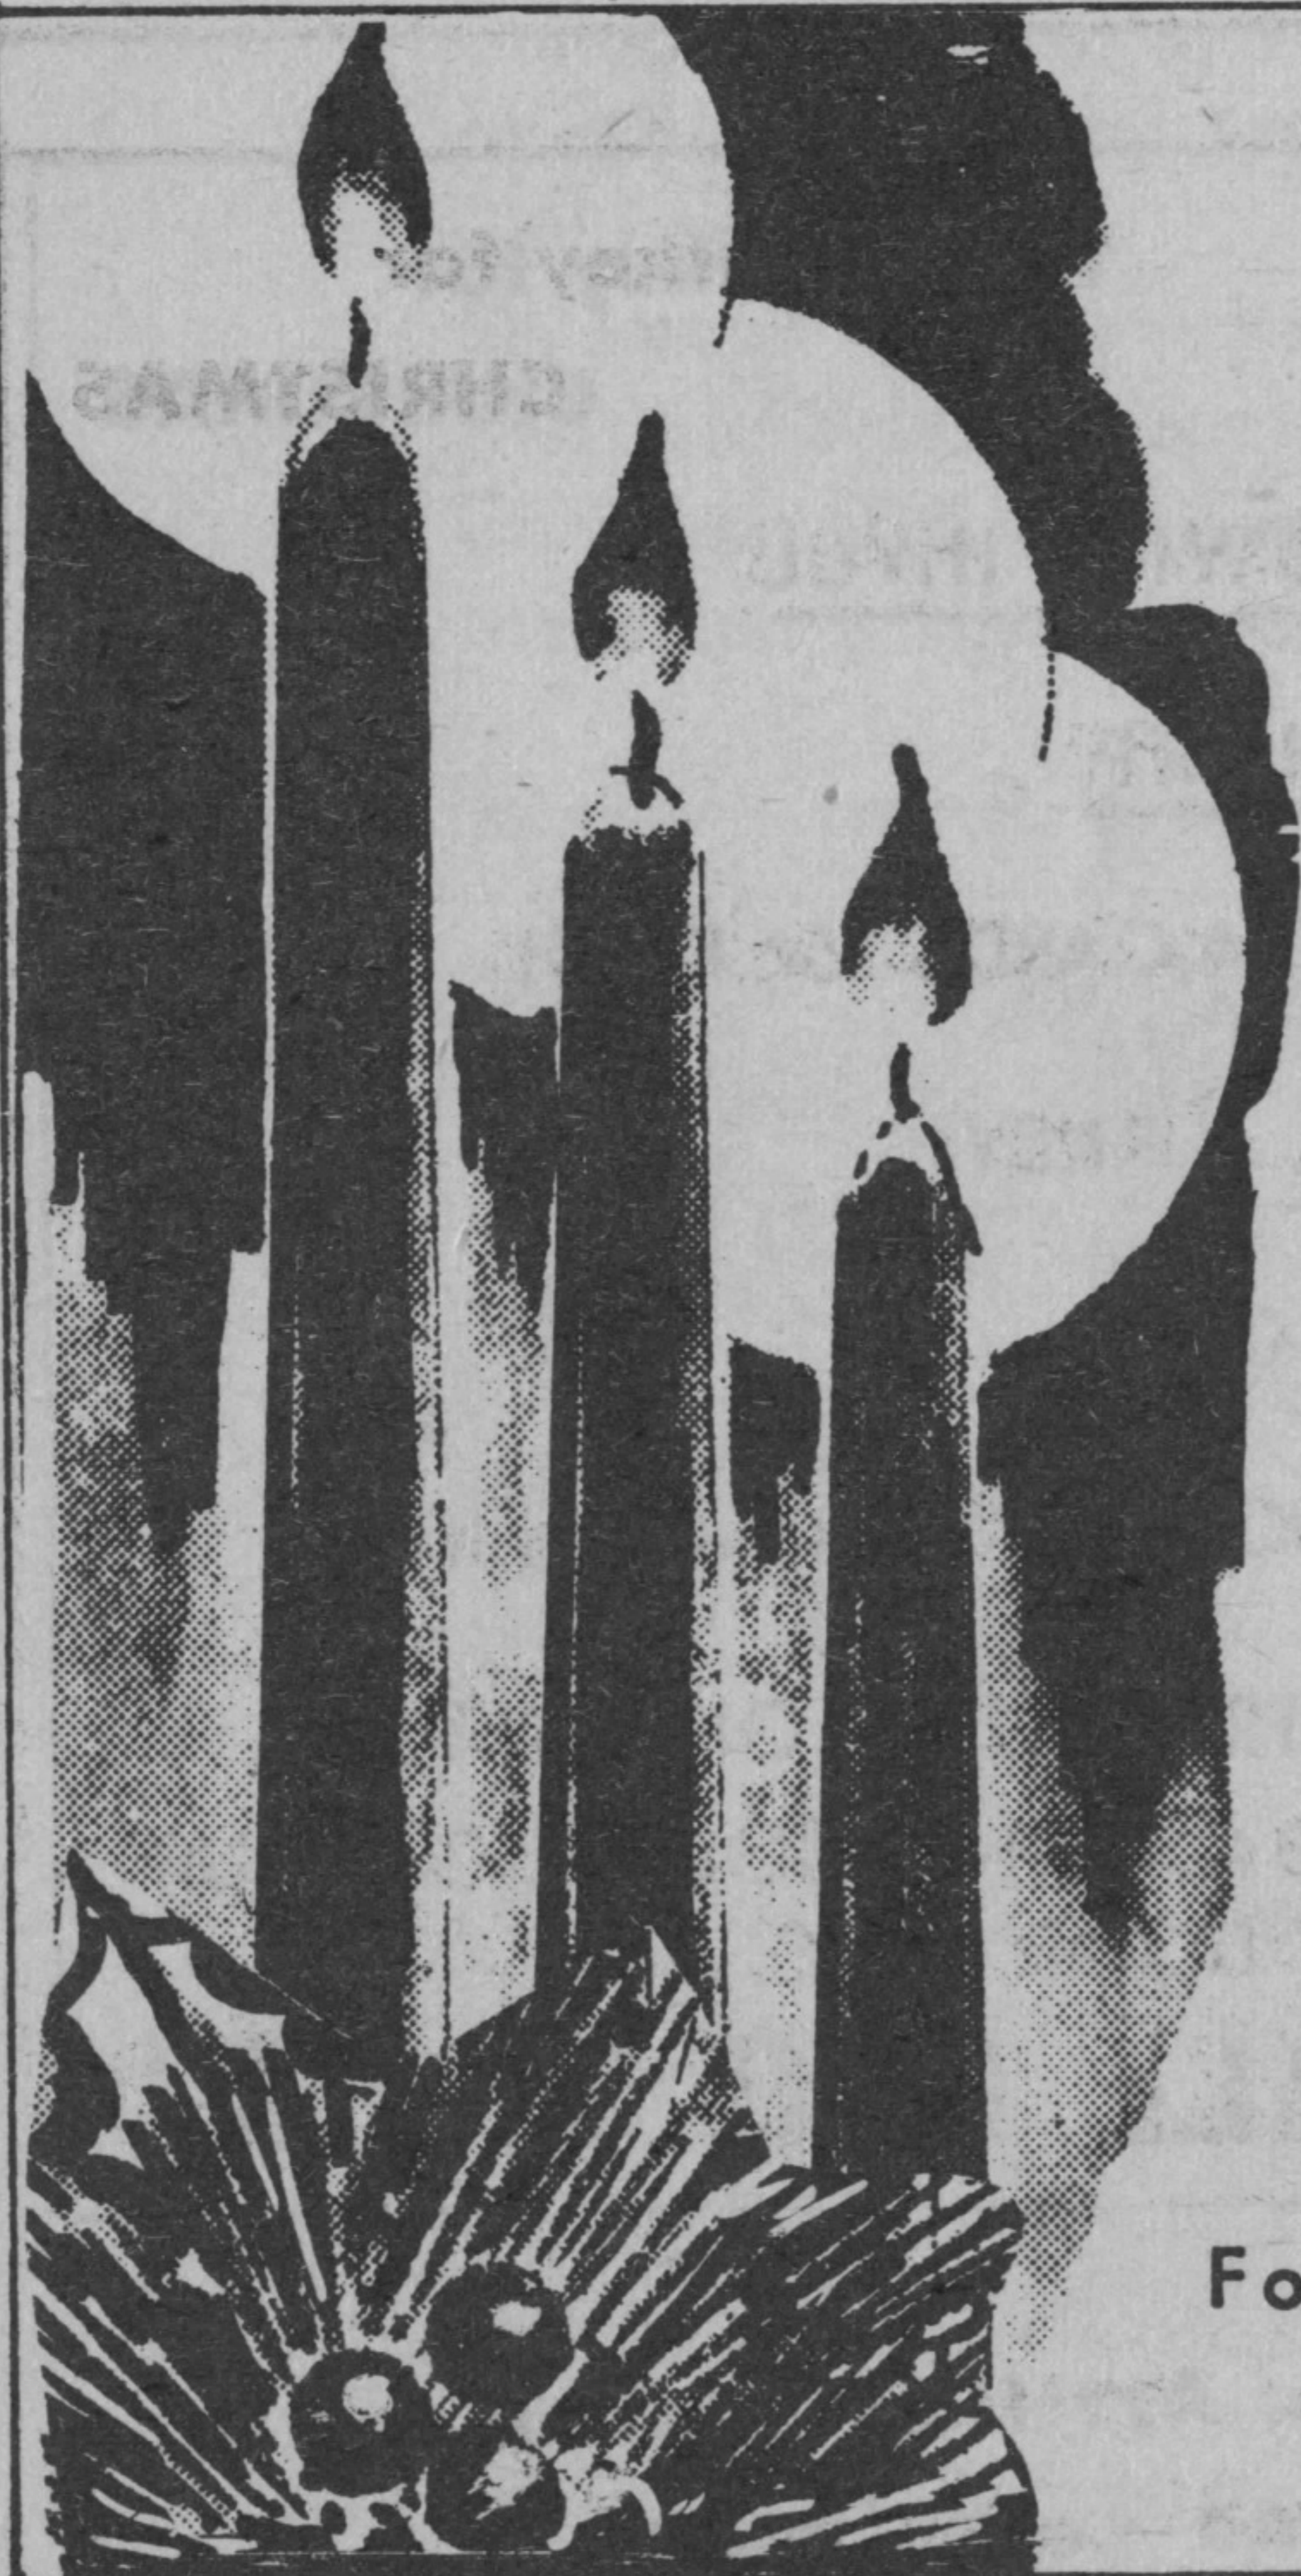

**Sewing Classes** This very successful course concluded on Tuesday, December 12th. It appears likely that another course will be held, commencing the middle of January. Information regarding registration for this course will be announced in future issues of the Terrace Bay News.

**CARD OF THANKS** I would like to take this opportunity to thank those who came to visit me and brought flowers and gifts while I was in the Port Arthur General Hospital; the Legion bowling team, the Ladies Legion Auxiliary 223, the Women of the Moose and all those who sent cards.

Your thoughtfulness was much appreciated.  
A. Daley
