## WORDS, WORDS, WORDS

We are in an age when everything is overdone, especially with the government. Millions upon millions of words are printed, where only a few would tell the story better.

Let's compare: The Lord's Prayer consists of 56 words; Lincoln's Gettysburg Address, 366; The Ten Commandments, 297; the 23rd Psalm, 118. The United States government's orders on cabbage prices, 26,911 words.
