Recreation News - cont'd from page 10

Registration forms available at Recreation Office.  
Public Skating - New music tapes have just arrived at the Centre and add considerably to the enjoyment of pleasure skating. The programme is proving quite successful, and special commendation should be made to parents who are bringing their children to the arena to skate. Regular public skating sessions are held as follows:

Wednesdays - 1.30 - 3.30 (pre-school skating)  
 " - 3.30 - 5.30 (public skating)  
 Fridays - 7.00 - 9.30 Sundays - 1.30 - 4.00 and 7.00 - 9.00 p.m.

Outdoor Community Ice Rink - There is an outdoor skating rink located on the Tot Lot in the Poplar Crescent area. This has been constructed and maintained by the neighbours in the adjacent area; however, this ice surface is available to anyone wishing to take advantage of outdoor skating. Most evenings the area is well lit. We think we should take our hats off to these citizens who have worked so hard to provide this outdoor recreation area.

It Makes A Difference - Your're only one in millions, so why bother to vote, to speak up, to

involved, to commit yourself? German author Hans Habe answers this way: "The world is one percent good, one percent bad, and 98 percent neutral. And this is why what individuals do is important."

TERRACE BAY FISH AND GAME ASSOCIATION

At the annual meeting held this month the following officers were elected: President - Roy Keller, Vice-President - Frank Sutherland; Treasurer - Elmer Persson and Secretary - Stan Hodgkiss.

Regular business included a discussion on 1968 memberships and it was decided to once again offer membership in the club to include liability insurance of \$100 per member.

The matter of Hunter Safety Training classes was also reviewed and a survey will be made to determine if there is sufficient demand in the community to continue with these classes.

The Northwestern Ontario Conservation Federation is pleased to announce the creation of a scholarship for the purpose of assisting a Grade 13 student, from Northwestern Ontario, towards obtaining a degree in Biology or Forestry. Total value of this award will be \$600 extended over a four year period.

Qualification for this scholarship is to be based on academic standing and need for assistance. The student must also be a Canadian citizen, attending a Canadian university, after having been resident in Northwestern Ontario. The award will be known as the "Robert Shultz Memorial Scholarship", in memory of the late Robert Shultz of Red Rock who for many years was active in the field of conservation education, on behalf of the Federation.

The Terrace Bay Fish & Game Association is an active member of the Northwestern Federation, which in turn is designated as Zone One of the Ontario Federation of Anglers & Hunters.
