CHURCH STRUCTURE TOPIC AT MEETING

A Presbytery Visitation was paid to St. Andrew's United Church in Schreiber by Rev. Ken Moffatt, Rev. Bill Hickerson, and Mrs. Jean Crittall, all of Port Arthur. Prior to this the official board of the church met.

Basic concern of the committee, in all discussions was the mission of the Church today, with the added issue, what structures are required for the accomplishment of this mission. The following headings were used for discussion - The life and work of the congregation, The witness and outreach of the congregation, The minister's and congregation's participation in the Presbytery, The presence of a good pastoral relationship from the people's point of view, and The presence of a good relationship from the minister's point of view. Discussions throughout the meeting were informal, and during the coffee hour which followed, ideas were still brought forward.

SCHREIBER HIGH SCHOOL BASKETBALL TEAM

Albert Costa's insistence on a 'no star' system for the Schreiber high school's basket ball team, but instead a hard-working fast-moving unit, is playing off decisively. Last week the boys took Terrace Bay boys with a 96-16 victory, and Marathon with a 94-40 score. Albert learned basketball at Scollard Hall in North Bay and in play at Ottawa University, this being his first year coaching the local

school whose confidence began with a notable record in a district tournament. A surprisingly large crowd attends the games now, running second in interest to hockey, which in Schreiber is an achievement in itself.

Shown in the photo by Inez McCuaig, are the boys basketball team. Front l to r - Danny MacDonald, David Bromley, Gerry Searles, Greg Morrill, Paul Gauthier. Back l to r - Jim Mikus, Keith Searles, Tom Collinson, Frank Commisso, manager, Albert Costa, coach, Bruce Gray and Alex Gauthier.

SCHREIBER DANCE-A-THON

A dance-a-thon took place in Schreiber high school over the week-end, starting at 7 p.m. on Friday, with eight couples still on the floor at 3 p.m. Saturday. The event is sponsored by the student council of Schreiber high school and twenty three couples began the contest. The entrance fee for contestants was \$1.75 and 50¢ for spectators. All couples had sponsors, mostly private individuals, paying so much an hour after a set time. The money from this last category will be sent to CARE. Other money realized will be spent by the student council for basketball uniforms and other school affairs. The first prize was \$50, second \$25 and third \$10. A member of the school teaching staff and representative of student council was on duty all the time. A three minute rest was permitted each hour for the dancers.

At 7 p.m. Sunday evening, two couples were left on the dance floor. Because the dancers had already broken the Marathon time of 45 hours by 3 hours(48) the council decided to raise the first prize to \$100 and give each remaining couple \$50. (Cont'd page 14)
