Centennial Project Completed - Cont'd from page 2
a set of reference books for the local library, as their Centennial year project.

Recently, Stan Hodgkiss, on behalf of the Association, presented to Jack Brooks, Chairman of the Terrace Bay Library Board a selection of eleven books purchased for use in the library, covering a number of subjects, i.e. mammals, waterfowl, trees and shrubs, butterflies, rocks and minerals, snakes, Canadian birds and other related conservation subjects.

As these books were selected with our own area in mind they should provide a handy reliable reference for school children writing conservation essays or adults wishing to identify a bird or a shrub, etc.

The Association hopes to be able to purchase additional books of this type for the library and expand this type of reference material.

Mr. Ray Kenney, principal of St. Martin's Separate School, Terrace Bay, welcomed the contestants, their parents and friends to the first Area Public Speaking Contest to be held in this Zone. The contest was sponsored by the Ontario School Trustees' and Municipal Councillors Association, and the Ontario Hydro
