TOWN TOPICS

A meeting of the executive of the Aquasabon Golf Club was held in the small meeting room in the Recreation Centre on March 28th. All members were present with the exception of Jack Phillips, who had the misfortune of being involved in a car accident south of Manitouwadge. Get well, Jack, we all miss you!

The season's activities were outlined, and in the very near future it is hoped that a green's keeper will be hired. The club house was broken into twice this winter, and members find this quite disturbing, as they have all worked so hard to beautify the course. The practice fairway is under construction. Hector Macleod is in charge of this project, and it is hoped that anyone contacted to lend a hand, will not refuse. Tickets on the T.V. raffle are going well and the draw is to be made during the Dominion Day holiday weekend. Those selling tickets and have finished with their book are to hand in the money to T. Costa. Memberships are at a standstill and may be obtained

from Ray Hansen in Terrace Bay or Coke Campbell in Schreiber. NOTE: With the nice weather now upon us, some ardent golfers were seen to be practicing their drives using woods and irons. This is dandy, but would those people doing so, please refrain from using carts, do not use regular tees, tee every shot, and most important - stay off the greens. In order to maintain our golf course we need your co-operation, so please don't let us down.

REPLY TO REEVE'S LETTER

Last week the Reeve endeavoured to absolve himself of any responsibility for the police car repairs in Schreiber.

This statement that the Constable had advised me that he was totally responsible for taking the car to Schreiber is a contemptible lie.

The Reeve had full knowledge that the car was going to Schreiber for repairs.

That is what the constable told me in the presence of three other people.

Since this can be substantiated by three witnesses who were present at the time, it reduces the Reeve's statement to a level (Cont'd on page 4)
