RECREATION NEWS - by D. Courtemanche

Sewing Course for Teens - The next 4-week course starts on Tuesday, April 9th, at 6.30 p.m. to 8.30 in Meeting room #3 (art room) The registration fee is \$4.00 for this course, and Mrs. H. Brooks is the instructress. If you are interested, or require further information, please call Mrs. Brooks - 3691, or the recreation office - 3542.

Minor Hockey Night - Judging by the comments we have heard about Minor Hockey Night last Friday, we have to say it was a big success. Those who did not support this event missed an entertaining evening. There was no doubt in many minds that the Terrace Bay High School girls hockey team, the High School cheerleaders and the Terrace Bay Navy League Band certainly added a little extra to the evening's program. These groups are to be highly commended for their performance and deserve more recognition in the town than what they are getting at the present. The coaches and all those who worked closely with the boys this season are to be congratulated for their efforts in presenting such a fine evening of entertainment. (Cont'd on next column)

Our congratulations, also, to the PeeWee team and coaching staff who went through the season undefeated.

Playground and Pool Staff - Watch the back page of next week's NEWS for an advertisement for Pool and Playground Summer Staff.

Family Life Education Conference - We note that Manitouwadge is holding its third Family Life Education Conference this weekend, April 5th and 6th, at the Recreation Centre in Manitouwadge. Anyone from Terrace Bay is eligible to attend this conference and for further details contact the Recreation Office.

Art Club - There will be a business meeting this Thursday at 7.30 p.m. in Meeting Room #3 (art room) and it will be followed by a work session of your own choice.

Coming Events

April 5, 6 and 7th - Terrace Bay Men's Curling Club Bonspiel

Friday, April 19th - Horticultural Society Annual Meeting - 8 p.m.

Friday, April 19th - High School Variety Night
April 19, 20, and 21st - Ontario Municipal Recreation Association Conference

Thursday, April 25th - Terrace Bay Municipal Band Concert

May 15, and 16th - Proposed Tennis Clinic

If any group or organization in town is planning a programme in the near future, please contact the Recreation Office so that we can list your event in this column. This may assist you in avoiding the planning of too many events on one particular date. Our population is approximately 1,850 and we think that too many of us have ourselves spread too thinly now. When possible, we should support any community event, but this is impossible when we have three and four activities on one evening, and if your programme is a money-making project, you are definitely going to suffer financially.

GUIDE AND BROWNIE WORLD

Many people have been asking, what do Guides and Brownies do? Why do we not hear more about them? In order to answer these questions, we are planning to run a monthly column of Guide and Brownie activities.

This is a busy time of year for both Guides and
