COUNCIL QUOTES

A By-Law regulating the sale and setting off of fireworks was reviewed at the regular meeting of Terrace Bay Council on Tuesday night. Reeve Cavanaugh was in the chair with three councillors present. The By-Law reads that no person shall sell fireworks without a permit issued proving such display, nor shall anyone set off fireworks without a proper permit. A \$300.00 fine is the penalty for infraction of the rules.

Reeve Cavanaugh suggested that the usual display of fireworks take place on July 1st. This will be under proper supervision.

Minutes were read by Clerk Hanley, and adopted as read.

A letter will be sent to all business establishments on the Plaza, requesting that there be a spring clean-up - all papers, etc., to be removed from the premises, and not allowed to blow around, thus disfiguring the property of others. (Cont'd on page 7)
