## RECREATION NEWS (CONTINUED FROM P.12)

The elections will take place at the Minor Hockey League Banquet, and the proposed date of the banquet is Saturday, May 25th.

Games Room - Some of the people working in the remodelling of this area are sick with measles at the present time, and so progress is at a standstill until they have recovered.

Vandalism Continues - Have you noticed the writing in black crayon on the Recreation Centre outside wall? This is an example of vandalism which turns our Recreation Centre into an unsightly building to visitors to our town, as well as an embarassment to our citizens. Are you sure your child was not the culprit?

Softball Registrations - Softball registrations are being distributed through the schools this week, and the parents' signature will be required on these forms. Also, we are asking for assistance in the way of coaching and helpers, and if there is insufficient

response, we will be forced to cancel this activity. So, if you can help us in any way, please indicate so on the registration form.

Lacrosse - It will be some time before the arenafloor is completely free of frost, dried out and coated with a sealer, and therefore we will have to wait until the floor is ready before scheduling any lacrosse games. However, this activity will get underway as soon as possible, and registration forms will be distributed in the near future. Roller Skating - It will be approximately two to three weeks, depending on the arena floor, before this activity will get underway. Watch the NFWS

Summer Employment - Last minute registrations are still being accepted on our Swim Pool and Playground programs, and will be until the end of this week. Get yours in now, if you haven't already done so.

for further information.

Tennis Courts - The tennis courts should be ready for playing in approximately a week's time, weather permitting, as a certain amount of work has to be done before the courts can be utilized.

Playground equipment - We realize that the playgrounds are all in need of repair, owing to vandalism during the winter. Supplies are on order and these areas will be repaired as soon as the materials are received and the Recreation Centre caretaker can get around to this work.

New Programmes - If you have any ideas about new programmes which you would like to see introduced to Terrace Bay, please call the Recreation Office (3542) and tell us about them. We will be very glas to discuss this with you. If there is any particular craft or hobby on which you would like to have a course or workshop run in Terrace Bay, we would be pleased to hear about this too.
