CERTIFICATES PRESENTED TO LEADERSHIP GRADS

A wind-up Banquet for ten Christopher Leadership graduates and Christopher Instructors was held Friday, May 3 at the Terrace Bay Hotel. Including invited guests twenty five were present.

Phil Stuart was Master of Ceremonies for the evening and guest speaker Mr. Fred Soughton gave a very interesting talk on the "Art of Understanding and being Understood".

Originator of the Christopher movement in Schreiber Mr. Gerry Banning, presented the Christophers with a Leadership Course certificate.

The Instructors were thanked for introducing and teaching the leadership course in Schreiber, by Mr. Lawrence Tremblay. Gifts were presented to the Instructors by Janet Kulmatycki.

Another course is planned to start early in September. Indications are that many more interested people will enroll.

If another one is started, let's get all the names - all over the district where Ron played
