

(Continued from page 5)

and the season will end June 30th, so we will not be tying up your time for very long. Help us to help your children!

Lacrosse - Just a short notice to all Lacrosse enthusiasts that new Lacrosse sticks have been ordered and you will be notified as soon as they are received. It will be approximately another two weeks before we get on the Arena floor. For your interest, there will be Lacrosse activity for both boys and girls again this year as there was last year.

Roller Skating - We are still waiting for the frost to leave the Arena floor before we can apply the sealer. Watch the NEWS for the opening of Roller Skating, in approximately two weeks.

Tennis Clinic - Mr. Ed Brandreth, a professional tennis player with the Canadian Lawn Tennis Association, will be in Terrace Bay on Wednesday, May 15th, and Thursday, May 16th, to conduct Tennis clinics. This may be the last year for tennis clinics in Terrace Bay if the response is not better than it was last year.

The schedule for this two-day clinic is as follows:

Wednesday: 3.30 to 5.30 p.m. - Session for High School students.

7.00 to 9.00 p.m. - Session for adults (beginners and advanced)

Thursday: 10.00 to 12.00 noon - Introduction session for public school students

1.30 to 3.30 p.m. - Introduction session for Separate school students.

7.00 to 9.00 p.m. - Session for advanced players, if sufficient interest.

A tennis racquet is required for all sessions. If you do not own one, try and borrow one. We will attempt to have a few on hand. **ADULTS INTERESTED IN TAKING ANY OF THE SESSIONS, PLEASE REGISTER AT THE RECREATION OFFICE.**

More Recreation News on page 8.

It was Wilson Mizner who pointed out "The worst tempered people I've ever met were people who knew they were wrong."

"Show me a man who's afraid of Christmas, said Jerry in you Beatty, and I'll show you a Noel Coward."
