and the ability to be happy, even in adverse circumstances - great qualities when one becomes a mother, which most girls do, and the value of practising comradeship. For the occasion Mrs. Deoll wore a beautiful pale pink sari. Roly Wills, Scout District Commissioner, spoke briefly.

Gifts were presented to Mrs. Shack, District Commissioner, Mrs. Andrea Hill, Guide Captain, and Mrs. Marcy Cebrario, Brown Owl.

The door prize for Mothers was won by Mrs. Joan Guina, for the Guides by Cheryl Karns, and for the Brownies by Betty Ann McKenna.

The fresh flowers gracing the Head Table were later distributed to Shut-ins, and the many bouquets spacing the other long tables were made by the girls and were exceptionally lovely.

CLEAN-UP WEEK STARTS MAY 13

It was agreed at the recent meeting of Schreiber council that the week of May 13 be clean-up week.

The Hardy Report was discussed and it was decided that councillors should study it at leisure and bring comments to the May meeting.

Council will confer with the CPR on the proposed plaque to Sir Collingwood Schreiber, the site for it and the dedication ceremony.

In response to a request from O. Sainsbury, proprietor of the Schreiber Hotel for restricted parking in front of the hotel for guests, it was decided to remove the present meter.

Mr. Harness stated the schools are interested in having an election for reeve and council in one of their grades. Council suggested Jack Gordon, assistant clerk, should visit the schools and give a talk on the procedures involved. Following the elections, successful candidates will be invited to attend a regular council meeting.

The rink committee will be asked to notify council how many members are still required on its board. Councillor H. H. Fisher will make the necessary appointments.

MRS. DAVIS HEADS T.B. ASSOCIATION.

Education: While films were difficult to obtain during the past year, some were shown in schools, literature was distributed in the district and table napkins and program blanks were sent to communities.

The financial statement, audited by the Bank of Montreal, was presented and studied.

In his address, Mr. Clarke spoke of the origin of the Ontario Tuberculosis Association and its purpose. There are forty-seven district- and country voluntary groups, assisting in the OTA program. It is the job of the OTA office to co-ordinate the activities of these many committees.

The management committee of the OTA is made up of people who have previously been a part of local committees. Although we are now dealing with other respiratory diseases, it is well to know that in Ontario alone there are 5,000,000 people
