

Come in and see the New Epic.

Strong. Agile. Handsome.

**It's all this
and more.**

Small wonder.

It's the stout-hearted little car from General Motors. Agile in city traffic. Strong when the going gets rough. Handsome good looks that will turn heads. Here's a little car you can put through the paces—quietly. There's a choice of two engines both available with standard or optional automatic transmissions.

Epic has an appetite. For miles and miles of low-cost motoring. And a capacity. For four big adults with head and shoulder room to spare. Here's style, ruggedness and the pleasure of driving.

Here's the new Epic. **\$1,896***
