

## GOLF NEWS

Opening Mixed Tournament - is scheduled for Saturday, May 25. All present members and those not signed up as yet are urged to enter! This is a novelty Tournament and there will be lots of prizes. A bean supper is also planned and your favourite refreshments will be available during the afternoon! We are also aiming to make the draw for the color T V set, so all those with tickets still to sell should wind them up and make your returns to Tony Costa now. It's up to you.

There has been a rash of golf balls being lifted off the fairways recently, especially #5 - by young children. This must stop. Parents are urged to keep their children off the fairways. Not only is lifting golf balls stealing - there is the constant danger of a child being hit by a ball - which could cause serious injury. Children caught stealing golf balls will be dealt with severely. Members are also urged to refuse to buy golf balls from children - it only encourages them to continue lifting balls - to the consternation of the players.

We are quite hopeful that the greens should be playable shortly. However, if those who are not replacing divots don't change their bad habits, we're going to have a major problem with our fairways soon. Fresh divots are to be seen daily - this is not only careless, it is plain stupid. There is a growing feeling in the Executive that members not replacing divots should be reported and dealt with.

Holes - in-one have been reported recently by Thor Olsen and Bob Adamo - congratulations fellows

We're happy to hear Jack Phillips is doing nicely at the Port Arthur General Hospital. The golf course just isn't the same without him - it's so quiet - We're looking forward to your return, Jack.

### Ladies Golf Club

A general meeting of the Ladies Golf Club was held last Tuesday evening in the Curling Lounge. It was decided to charge \$1.00 membership to the Ladies Golf Club and membership cards to the Canadian Ladies Golf Association may be purchased from the Men's Club for \$1.00.

Any lady wishing to buy a Year Book can do so by contacting Peggy Wellings.

Ladies Day will be held on Tuesday evenings at 6 p.m. on a trial basis. The members thought that Thursday would be a good day for the 2-ball four-some. Fred Soughton has donated a trophy for the Ladies Ringer Board.

Rules for our tournaments will be posted at the Club House previous to games.

On May 25th there will be a tournament for the men and women, followed by a bean supper.

After the meeting, the ladies enjoyed a delicious tea. The table, beautifully decorated, was presided over by Isabel Ferrier.

## MARIE EDMUNDS HONORED

Last Friday evening, a large group of her friends gathered in the Masonic Hall in Terrace Bay to bid farewell to Marie Edmunds, who leaves with her family next month to reside in Brantford, Ontario, where her husband has been transferred by Ontario Hydro.

On behalf of her friends, Mrs. Paul Coupal presented Marie with a set of luggage and, on behalf of the Ladies Golf Club, president Peggy Wellings read an appropriate poem and also gave a gift to Marie.

Cards were played and refreshments served by Mrs. P. Coupal, Mrs. A. McMillan, Mrs. P. Jones, Mrs. E. Leclair, Mrs. P. Ballentine, and Mrs. P. Moon. See other photos on page 12.

## CBC NOW ON CHANNEL 11

The new satellite broadcasting station created by the Canadian Broadcasting Company will be on the air May 15th. Built at Neys Park, the satellite will serve Marathon, Heron Bay, Terrace Bay, Schreiber and intervening points. Dial Channel 11 on your set.

Programs start at 9.30 D.S.T. in the morning and end at 11.30 p.m.. When asked if rabbit ears would pick up the satellite in Schreiber and Terrace Bay, a member of the CBC engineering staff said it was possible but that he would advise an outside Antenna.

Remember, that's May 15th - dial Channel 11
